Yours sincerely

Susanne Given

Explanatory Notes to the Resolutions

Resolution 1 – To receive the accounts and reports

The Chair will present the accounts and reports of the directors for the financial year ended 31 December 2021 to the AGM.

Resolution 2 – Directors' Remuneration Report

The directors' remuneration report is set out in the Annual Report on pages 114 to 131.

Resolution 2 is an ordinary resolution to approve the directors' remuneration report, other than the part containing the directors' remuneration policy. Resolution 2 is an advisory resolution and does not affect the future remuneration paid to any director.

The report gives details of the directors' remuneration for the year ended 31 December 2021. The report also includes a statement from the Chair of the Remuneration Committee and details of the remuneration committee's representations and activities. The Company's auditor, Ernst & Young LLP, has audited those parts of the remuneration report which are required to be audited and their report is issued in the 2021 Annual Report and accounts.

Resolution 3 – Directors' Remuneration Policy

Resolution 3 is an ordinary resolution to approve the directors' remuneration policy which is set out in the directors' report in the Annual Report on pages 132 to 147.

Once the new directors' remuneration policy has been approved, all payments by the Company to the directors and any former directors must be made in accordance with the new policy unless approved by shareholders.

If the new directors' remuneration policy is approved and remains unchanged, it will be valid for up to three financial years without a new shareholder approval. If the Company wishes to change the directors' remuneration policy, it will need to put the revised policy to a vote again before it can implement the new policy.

Resolutions 4 to 10 – Election of directors

Resolutions 4 to 10 deal with the election of the existing directors of the Company. In accordance with the requirements of the UK Corporate Governance Code 2018, all of the directors are standing for election by the shareholders at this year's AGM.

Biographies of each of the directors seeking election can be found on pages 92 to 95 of the Annual Report, together with the reasons why their contributions are, and continue to be, important to be Company's long-term sustainable success. The Board has also considered whether each of the independent non-executive directors is free from any relationship that could materially interfere with the exercise of his or her independent judgement and has determined that each continues to be considered to be independent.

The Board has confirmed following a performance review, that all directors standing election continue to perform effectively and demonstrate commitment to their roles.

Resolutions 11 and 12 – Re-appointment of auditor and auditor's remuneration

Resolution 11 relates to the appointment of Ernst & Young LLP as the Company's auditor to hold office until the next AGM of the Company. Resolution 12 authorises the Audit and Risk Committee of the Board to set their remuneration.

Resolution 13 – Allotment of share capital

Resolution 13 deals with the directors' authority to allot shares.

The Board considers it appropriate that directors be granted authority to allot shares in the capital of the Company up to a maximum nominal amount of £13,049 representing one-third of the Company's issued ordinary share capital as at 31 March 2022 (the "latest practicable date" prior to publication of this document). The power will last until the end of the next AGM of the Company or, if earlier, on 5 August 2023. The Investment Association ("IA") guidelines on directors' authority to allot shares state that IA members will regard as routine resolutions seeking authority to allot shares representing up to one-third of the Company's issued share capital.

The directors have no present intention of allotting new ordinary shares other than in relation to the Company's employee share schemes. However, the directors consider it appropriate to maintain the flexibility that this authority provides.

As at the date of this letter the Company does not hold any shares in the capital of the Company in treasury.

Resolutions 14 – Disapplication of statutory pre-emption rights

Resolution 14 will give the directors authority to allot ordinary shares in the capital of the Company pursuant to the authority granted under Resolution 13 above for cash without complying with the pre-emption rights in the Companies Act 2006 in certain circumstances. It is proposed as a special resolution.

This disapplication authority is in line with institutional shareholder guidance, and in particular with the Pre-Emption Group's Statement of Principles (the "Pre-Emption Principles") which allow the authority for an issue of shares for cash otherwise than in connection with a pre-emptive offer to include an authority over five per cent. of a company's issued share capital for use on an unrestricted basis.

Resolution 14 will permit the directors to allot:

- (a) equity securities for cash and sell treasury shares up to a nominal amount of £13,049, representing one-third of the company's issued share capital as at the Latest Practicable Date on an offer to existing shareholders on a pre-emptive basis (that is including a rights issue or an open offer), with one-third being available only in connection with a rights issue (in each case subject to any adjustments, such as for fractional entitlements and overseas shareholders, as the directors see fit); and
- (b) equity securities for cash and sell treasury shares up to a maximum nominal value of £1,957, representing approximately 5% of the issued ordinary share capital of the Company as at the Latest Practicable Date otherwise than in connection with a pre-emptive offer to existing shareholders.

The Board considers that it is in the best interests of the Company and its shareholders generally that the Company have the flexibility conferred by Resolution 14 to conduct a pre-emptive offering without complying with the strict requirements of the statutory pre-emption provisions and to finance business opportunities quickly and efficiently when they arise.

The Board confirms that, in accordance with the Pre-Emption Principles, it does not intend to issue shares for cash representing more than 7.5% of the company's issued ordinary share capital in any rolling three-year period to those who are not existing shareholders without prior consultation with shareholders.

As noted in relation to Resolution 13 above, the directors have no current intention of issuing ordinary shares other than in relation to the Company's employee share schemes,

The authority contained in Resolution 14 will expire upon the expiry of the authority to allot shares conferred in Resolution 13 (that is at the end of the next AGM of the Company or, if earlier, on 5 August 2023).

Resolution 15 – Authority to purchase own shares

Resolution 15 gives the Company authority to buy back its own shares in the market as permitted by the Companies Act 2006. The authority limits the number of shares that could be purchased to a maximum of 39,149,966 (representing approximately 10% of the Company's issued share capital (excluding treasury shares) 31 March 2022 (the latest practicable date prior to publication of this document) and sets minimum and maximum prices. This authority will expire at the end of the next AGM of the Company or, if earlier, on 5 August 2023. This resolution is proposed as a special resolution.

The directors have no present intention of exercising the authority to purchase the Company's shares but consider it prudent to obtain a general authority to do so to provide flexibility in the management of the Company's capital resources. In considering

whether to use this authority, the directors will take into account factors including the financial resources of the Company, the Company's share price and future funding opportunities. The authority will be exercised only if the directors believe that to do so would result in an increase in earnings per share and would be in the interests of shareholders generally. Any purchases of shares would be by means of market purchases through the London Stock Exchange.

Listed companies purchasing their own shares are allowed to hold them in treasury as an alternative to cancelling them. No dividends are paid on shares while they are held in treasury and no voting rights attach to treasury shares. The Company's current intention to cancel any shares it may purchase pursuant to the authority granted to it but will keep this under review.

As at 31 March 2022 (the latest practicable date prior to publication of this document), there were 26,809,066 options to subscribe for shares in the capital of the Company representing 6.8% of the Company's issued share capital (excluding treasury shares). No warrants over ordinary shares in the capital of the Company were in existence as at the Latest Practicable Date.

Resolution 16 – Length of notice of meeting

Resolution 16 is a resolution to allow the Company to hold general meetings (other than AGMs) on 14 days' notice.

The minimum notice period for general meetings of listed companies is 21 days, but companies may reduce this period to 14 days (other than for AGMs) provided that two conditions are met. The first condition is that the company offers a facility for shareholders to vote by electronic means. This condition is met if the company offers a facility, accessible to all shareholders, to appoint a proxy by means of a website. The second condition is that there is an annual resolution of shareholders approving the reduction of the minimum notice period from 21 days to 14 days.

The Board is therefore proposing Resolution 16 as a special resolution to approve 14 days as the minimum period of notice for all general meetings of the Company other than AGMs. The approval will be effective until the end of the next AGM of the Company, when it is intended that the approval be renewed. The Board will consider on a case-by-case basis whether the use of the flexibility offered by the shorter notice period is merited, taking into account the circumstances, including whether the business of the meeting is time-sensitive and whether it is thought to be to the advantage of shareholders as a whole.

General Information

Right to vote at the AGM

You have the right to vote at the AGM if you are on the register of members of the Company at 6.30pm on Tuesday 3 May 2022 (or, if the meeting is adjourned, at 6.30pm on the date which is two days (excluding non-working days) prior to the adjourned meeting). Changes to entries on the Register of Members after this time shall be disregarded in determining the rights of persons to attend or vote (and the number of votes they may cast) at the Meeting or adjourned meeting.

Proxies

A member of the Company is entitled to appoint a proxy to exercise all or any of his rights to attend, speak and vote at a general meeting of the Company. A member may appoint more than one proxy, provided that each proxy is appointed to exercise the rights attaching to different shares. A proxy need not be a member. The appointment of a proxy will not of itself prevent a member from subsequently attending, voting and speaking in person at the AGM, in which case any votes of the proxy will be superseded. You may appoint the Chair of the meeting to vote on your behalf at the AGM as your proxy. Your proxy must vote as you instruct and must attend the meeting for your vote to be counted.

You may alternatively appoint your proxy online at www.sharevote.co.uk. You will need your Voting ID, Task ID and Shareholder Reference Number, as printed on your proxy form. Alternatively, you may download, complete and return a paper proxy form from the Company's website (or request a copy from the Company's Registrar) and return a hard copy. To be effective, the instrument appointing a proxy and any authority under which it is signed (or a notarially certified copy of such authority) for the AGM and any adjournment(s) thereof must be submitted online or returned to Equiniti at Aspect House, Spencer Road, Lancing West Sussex, BN99 6DA by 2.00 pm on Tuesday 3 May 2022 (or 48 hours (excluding non-working days) before the time fixed for any adjourned AGM). If you return paper and electronic instructions, those received last by the Registrar before 2.00pm on Tuesday 5 May 2022 will take precedence.

The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communication from the Company in accordance with section 146 of the Companies Act 2006 ("nominated persons"). Nominated persons may have a right under an agreement with the registered shareholder who holds shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

Appointment of proxies through CREST

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual on the Euroclear website (www.euroclear.com). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID number RA19) by the latest time(s) for receipt of proxy appointments (2.00pm on Tuesday 3 May 2022 (or 48 hours (excluding non-working days) before the fixed time for any adjourned AGM)). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to

the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Corporate representatives

A member of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the Meeting. In accordance with the provisions of the Companies Act 2006, each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual member of the Company, provided that they do not do so in relation to the same shares.

Voting at the meeting

Voting on Resolutions 1 to 16 will be conducted by way of a poll rather than a show of hands. This is a more transparent method of voting as member votes are to be counted according to the number of shares held. Members and proxies will be asked to complete a poll card to indicate how they wish to cast their votes. These cards will be collected at the end of the meeting. As soon as practicable following the AGM, the results of the voting at the Meeting and the numbers of proxy votes cast for and against and the number of votes actively withheld in respect of each of the Resolutions will be announced via a Regulatory Information Service and also placed on the Company's website: www.corporate.made.com.

Questions

The Company must cause to be answered at the Meeting any question relating to the business being dealt with at the Meeting which is put by a member attending the Meeting. Questions may not be answered at the AGM if they are deemed not to be in the interests of the Company or the good order of the AGM, or would interfere unduly with the preparation for the AGM, or involve the disclosure of confidential information, or if the answer has already been given on a website in the form of an answer to a question.

Total Voting Rights

As at the Latest Practicable Date, the Company's issued share capital consists of 391,499,661 ordinary shares, carrying one vote each. The Company does not hold any shares in treasury. Therefore the total voting rights in the Company are 391,499,661.

The contents of this notice of Meeting, details of the total number of shares in respect of which members are entitled to exercise voting rights at the Meeting, details of the totals of the voting rights that members are entitled to exercise at the Meeting and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of this notice will be available on the Company's website: www.corporate.made.com.

Documents on display

Copies of Executive Directors' service contracts and the Non-executive Directors' letters of appointment will be available for inspection at the Company's registered office (5 Singer Street, London, United Kingdom, EC2A 4BQ) during usual business hours (Saturdays, Sunday and public holiday excepted) and will be available at the place of the AGM from 1.45pm until its conclusion.

Requisition rights

Members satisfying the thresholds in section 527 of the Companies Act 2006 can require the Company to publish a statement on its website setting out any matter relating to (a) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Meeting; or (b) any circumstances connected with an auditor of the Company ceasing to hold office since the last Annual General Meeting, that the members propose to raise at the Meeting. The Company cannot require the members requesting the publication to pay its expenses. Any statement placed on the website must also be sent to the Company's auditor no later than the time it makes its

statement available on the website. The business which may be dealt with at the Meeting includes any such statement that the Company has been required to publish on its website.

Under sections 338 and 338A of the Companies Act 2006, members meeting the threshold requirements in those sections have the right to require the Company: (i) to give, to members of the Company entitled to receive notice of the AGM, notice of a resolution which those members intend to move (and which may properly be moved) at the AGM; and; (ii) to include in the business to be dealt with at the AGM any matter (other than a proposed resolution) which may properly be included in the business at the AGM, provided in each case that the requirements of those sections are met and that the request is received by the Company not later than six weeks before the AGM or, if later, the time at which notice is given of the AGM.

Electronic address

You may not use any electronic address provided in this notice of Meeting to communicate with the Company for any purposes other than those expressly stated.

provided by shareholders, or on behalf of shareholders, which relates to: (1) the shareholder, including name and contact details, the votes that the shareholder casts and any other personal data collected by the controller regarding the shareholder; and (2) any person who is identified as a proxy by a shareholder via form of proxy, including their name and contact details.

Please note that if shareholders either provide the personal data of a proxy, or send a proxy to a meeting in their place, the Company requires the shareholder to communicate this privacy information to such proxy.

The Company and any third party to which it discloses the data (including the Company's registrar) may process such data for the purposes of maintaining the Company's records, meeting management, managing corporate actions, fulfilling the Company's obligations to shareholders, fulfilling the Company's legal obligations and communicating with shareholders.

The Company's lawful bases for the processing described above, for the purposes described above, is that the processing is necessary in order for the Company to: (1) fulfil its legitimate interests; and (2) comply with its legal obligations.

All of this data will be processed in accordance with the Company's privacy notice which can be accessed at <https://corporate.made.com/privacy-policy/>.
